# What we do...

# What we do today...

- Personal attention
- Student support from A-Z
- Connecting communities and companies

# BARMER benefits for students and our digital services

[www.barmer.de/en/students](http://www.barmer.de/en/students)

- Student related collaborations
- Student cash back tariff
- Online health courses worth up to 600€ per year

More about BARMER

**BARMER**

# BARMER-App

Download  
für iOS

Download  
für Android

## The BARMER-App – manage all important communication from wherever you are:

- Download your health insurance certificate for your university as well as your BAföG certificate or upload your certificate of enrolment
- Your personal online mailbox enables you to communicate information directly and securely with BARMER
- The integrated health manager also helps you to schedule and keep track of important medical appointments

# Before we start...

Sit down  
and relax!
